General Information

Omcan Manufacturing and Distributing Company Inc., Food Machinery of America, Inc. dba Omcan and Omcan Inc. are not responsible for any harm or injury caused due to any person's improper or negligent use of this equipment. The product shall only be operated by someone over the age of 18, of sound mind, and not under the influence of any drugs or alcohol, who has been trained in the correct operation of this machine, and is wearing authorized, proper safety clothing. Any modification to the machine voids any warranty, and may cause harm to individuals using the machine or in the vicinity of the machine while in operation.

CHECK PACKAGE UPON ARRIVAL

Upon receipt of an Omcan shipment please inspect for external damage. If no damage is evident on the external packaging, open carton to ensure all ordered items are within the box, and there is no concealed damage to the machine. If the package has suffered rough handling, bumps or damage (visible or concealed), please note it on the bill of lading before accepting the delivery and contact Omcan within 24 hours, so we may initiate a claim with the carrier. A detailed report on the extent of the damage caused to the machine must be filled out within three days, from the delivery date shown in the shipping documents. Omcan has no recourse for damaged products that were shipped collect or third party.

Before operating any equipment, always read and familiarize yourself with all operation and safety instructions.

Omcan would like to thank you for purchasing this machine. It's of the utmost importance to save these instructions for future reference. Also save the original box and packaging for shipping the equipment if servicing or returning of the machine is required.

Omcan Fabrication et distribution Compañie Limité et Food Machinery d'Amerique, dba Omcan et Omcan Inc. ne sont pas responsables de tout dommage ou blessure causé du fait que toute personne ait utilisé cet équipement de façon irrégulière. Le produit ne doit être exploité que par quelqu'un de plus de 18 ans, saine d'esprit, et pas sous l'influence d'une drogue ou d'acohol, qui a été formé pour utiliser cette machine correctement, et est vêtu de vêtements de sécurité approprié. Toute modification de la machine annule toute garantie, et peut causer un préjudice à des personnes utilisant la machine ou des personnes à proximité de la machine pendant son fonctionnement.

VÉRIFIEZ LE COLIS DÈS RÉCEPTION

Dès réception d'une expédition d'Omcan veuillez inspecter pour dommages externes. Si aucun dommage n'est visible sur l'emballage externe, ouvrez le carton afin de s'assurer que tous les éléments commandés sont dans la boîte, et il n'y a aucun dommage dissimulé à la machine. Si le colis n'a subi aucune mauvaises manipulations, de bosses ou de dommages (visible ou cachée), notez-le sur le bond de livraison avant d'accepter la livraison et contactez Omcan dans les 24 heures qui suivent, pour que nous puissions engager une réclamation auprès du transporteur. Un rapport détaillé sur l'étendue des dommages causés à la machine doit être rempli dans un délai de trois jours, à compter de la date de livraison indiquée dans les documents d'expédition. Omcan n'a aucun droit de recours pour les produits endommagés qui ont été expédiées ou cueilli par un tiers transporteur.

General Information

Avant d'utiliser n'importe quel équipement, toujours lire et vous familiariser avec toutes les opérations et les consignes de sécurité.

Omcan voudrais vous remercier d'avoir choisi cette machine. Il est primordial de conserver ces instructions pour une référence ultérieure. Également conservez la boîte originale et l'emballage pour l'expédition de l'équipement si l'entretien ou le retour de la machine est nécessaire.

Omcan Empresa De Fabricacion Y Distribucion Inc. Y Maquinaria De Alimentos De America, Inc. dba Omcan y Omcan Inc. no son responsables de ningun daño o perjuicio causado por cualquier persona inadecuada o el uso descuidado de este equipo. El producto solo podra ser operado por una persona mayor de 18 años, en su sano juicio y no bajo alguna influencia de droga o alcohol, y que este ha sido entrenado en el correcto funcionamiento de esta máquina, y ésta usando ropa apropiada y autorizada. Cualquier modificación a la máquina anula la garantía y puede causar daños a las personas usando la máquina mientras esta en el funcionamiento.

REVISE EL PAQUETE A SU LLEGADA

Tras la recepcion de un envio Omcan favor inspeccionar daños externos. Si no hay daños evidentes en el empaque exterior, Habra el carton para asegurarse que todos los articulos solicitados estén dentro de la caja y no encuentre daños ocultos en la máquina. Si el paquete ha sufrido un manejo de poco cuidado, golpes o daños (visible o oculto) por favor anote en la factura antes de aceptar la entrega y contacte Omcan dentro de las 24 horas, de modo que podamos iniciar una reclamación con la compañía. Un informe detallado sobre los daños causados a la máquina debe ser llenado en el plazo de tres días, desde la fecha de entrega que se muestra en los documentos de envío. Omcan no tiene ningun recurso por productos dañados que se enviaron a recoger por terceros.

Antes de utilizar cualquier equipo, siempre leer y familiarizarse con todas las instrucciones de operación y seguridad.

Omcan quisiera darles las gracias por la compra de esta máquina. Es de la máxima importancia para guardar estas instrucciones para referencias en el futuro. También guarde la caja original y el embalaje para envío del equipo si el mantenimiento o la devolución de la máquina es necesaria.

Safety and Warranty

ELECTRICAL SUPPLY

Check that the voltage corresponds to the label data.

1. Connect the machine to the socket.
2. Check that the blade cover fastener handle is tight screwed.
3. Check that the blade sharpener is lowered and the protective cover is closed.

Safety and Warranty

4. Press the green pushbutton to start the blade rotation (pilot light on).
5. The blade must rotate in the counterclockwise direction.

RESIDENTIAL USERS: Vendor assumes no liability for parts or labor coverage for component failure or other damages resulting from installation in non-commercial or residential applications. The right is reserved to deny shipment for residential usage; if this occurs, you will be notified as soon as possible.

1 YEAR PARTS AND LABOR BENCH WARRANTY

Within the warranty period, contact Omcan Inc. at 1-800-465-0234 to schedule a drop off to either an Omcan authorized service depot in the area, or to an Omcan Service warehouse to repair the equipment.

Unauthorized maintenance will void the warranty. Warranty covers electrical and part failures, not improper use.

Please see <https://omcan.com/disclaimer> for complete info.

WARNING:

The packaging components are classified as normal solid urban waste and can therefore be disposed of without difficulty.

In any case, for suitable recycling, we suggest disposing of the products separately (differentiated waste) according to the current norms.

DO NOT DISCARD ANY PACKAGING MATERIALS IN THE ENVIRONMENT!

Technical Specifications

Model	MS-IT-0330-F
Blade	13" / 330mm
Power	350 W / 0.47 HP
Slicing Volume*	8 hours or more
Slicing Capacity	□ 10.6" x 6.7" / 269 x 170mm ○9.5" / 240mm
Cut Thickness	0 - 0.6" / 0 -14mm
IP	65
RPM	240
Electrical	120V / 60Hz / 1
Weight	94.8 lbs. / 43 kgs.
Packaging Weight	110 lbs. / 50 kgs.
Dimensions	26.4" x 29.7" x 20.9" / 670 x 754 x 530mm
Packaging Dimensions	32.7" x 28" x 26.7" / 831 x 711 x 678mm
Item Number	31438

Installation

The slicer must be placed on a plane, horizontal, anti-skid and stable surface, fit for carrying its weight. The recommended height of the work top is about 800 mm. Check there are no obstacles for the product holder stroke.

PRELIMINARY CLEANING

Clean off the protective oil from the slicer.

Operation

WARNING

The following products are not sliceable:

- Inedible products.
- Products with bones.
- Frozen products.

Check that the slicer is off and position the slice thickness control on zero.

HOW TO LOAD THE PRODUCT TO CUT

1. Place the product to cut against the product holder and the thickness plate sides.
2. Lay the last slice device on the product to cut, far from the slice thickness plate. The product is fed to the slice thickness plate by gravity, this makes the cut easier.
3. Rotate the slice thickness control onto the cutting thickness you wish.
4. Press the green pushbutton to start the blade.
5. At constant speed feed the product holder to the blade stroke end then return to the operator and repeat the operation.
6. When the work is over, pull the product holder towards the operator, press the red button to turn the blade off and rotate the slice thickness control on zero.

HOW TO LOAD SHORT PRODUCTS (LAST SLICE)

Check that the slicer is off and position the slice thickness control on zero.

WARNING: Do not use your hands to push the products towards the blade.

1. Place the product to be cut against the wall of the product holder and the slice thickness plate.
2. Push the goods against the slice thickness plate using the last slice device.
3. Rotate the slice thickness control onto the cutting thickness you wish.
4. Press the green pushbutton to start the blade.
5. At constant speed feed the product holder to the blade stroke end then return to the operator and repeat the operation.
6. When the work is over, pull the product holder towards the operator, press the red button to turn the blade off and rotate the slice thickness control on zero.

Maintenance

BLADE SHARPENING

Whenever the cut is not satisfactory, sharp the blade. The time interval between a sharpening and the following depends on the intensity of use of the slicer and on the kind of food you cut. Replace the blade when the diameter becomes 10 mm less than the nominal diameter. For the replacement, ask the assistant service closest to you.

WARNING

The replacement of the blade is dangerous operation. Should the sharpening quality be not satisfactory, replace the stones. Contact a customer servicing.

1. Clean the blade removing any greasy residue.
2. Make sure that the machine is off.

Maintenance

3. Rotate the slice thickness control to zero to make sure that the blade is covered by the slice thickness plate.
4. Lift the sharpener cover.
5. Slip off completely the sharpener and spin it 180 degrees.
6. Put the sharpener device.
7. Push the green button to start the machine.
8. Sharpening: Press the sharpening wheel for about 10-15 seconds. Then press simultaneously also the grinding stone for two seconds. Contemporaneously loosen the two grind stones. The sharpening and honing take place then simultaneously.
WARNING: for a suitable effect please execute sharpening for 10-15" approx.
9. Press the red stop pushbutton.
10. Lift and rotate 180 degrees the sharpener and reallocate it into its initial position. Loosen the handle rotating it clockwise to block the sharpener. Lower the sharpener cover.

SHARPENER DEVICE REMOVAL

To facilitate the cleaning of the sharpening grinder, remove the sharpener device pulling it upwards.

WARNING: Do not immerse in water or detergent the sharpening device.

CLEANING OF THE GRINDING WHEELS

To obtain an excellent sharpening the grinding wheel must always be clean. Remove dirt and grease with alcohol and the supplied special brush.

MAINTENANCE

Disconnect the plug from the power point and take the slice thickness control on zero. We advise to wear protective gloves during all the cleaning and maintenance operations.

ELECTRIC CABLE CHECK

Periodically check the electric cable wear.

SPARE PARTS

In case of parts replacement, ask only original spare parts.

CLEANING

If you do not use the machine for long time, always carry out a deep cleaning of the machine before using it. For the cleaning of all the open parts use a dampen cloth.

WARNING: Do not use water jet.

COMPONENTS REMOVAL

DANGER: During the cleaning operations be careful: danger of accident.

PRODUCT HOLDER

1. Position on zero the slice thickness control.
2. Loosen up completely the product holder clamping handle rotating it counterclockwise.
3. Pull the product holder towards the operator to block it. The metallic click means that the product holder is clamped.
4. Lift the pusher from the guide bar.
5. Lift the product holder slipping it off from its support.
6. Clean the product holder.

IMPORTANT: The slice thickness control is clamped on zero.

SLICE DEFLECTOR

1. Loosen the fixing screws and remove the slice deflector.

BLADE COVER

1. Loosen the blade cover fastener handle rotating it counterclockwise.
2. Push the handle in the direction of the blade.
3. Lift the blade cover.

ATTENTION: Once removed the blade cover, an interlocking device stops the rotation of the blade.

BLADE CLEANING

DANGER: During the cleaning of the blade, be careful of any accidental contact with the blade.

1. Mop up the front side of the blade with a dampen cloth and move slowly from the centre to the edge of the blade, as shown by the arrow in the picture.
2. Clean in the same way the back side of the blade.
3. Dry with a cloth both sides of the blade.
4. After cleaning, fix the blade cover.
5. Insert the fastener and screw to block the blade cover.

Clean all the pieces in warm water and washing-up liquid. Rinse them with hot water and dry them. Assemble the machine following in reverse the procedure described above.

GUIDES LUBRICATION

This operation must be performed after cleaning the slicer or whenever the sliding is difficult. Use oil SHELL ONDINA 15 or ESSO MARCOL 82.

Maintenance

LUBRICATION OF THE GUIDE BAR OF THE PRODUCT HOLDER:

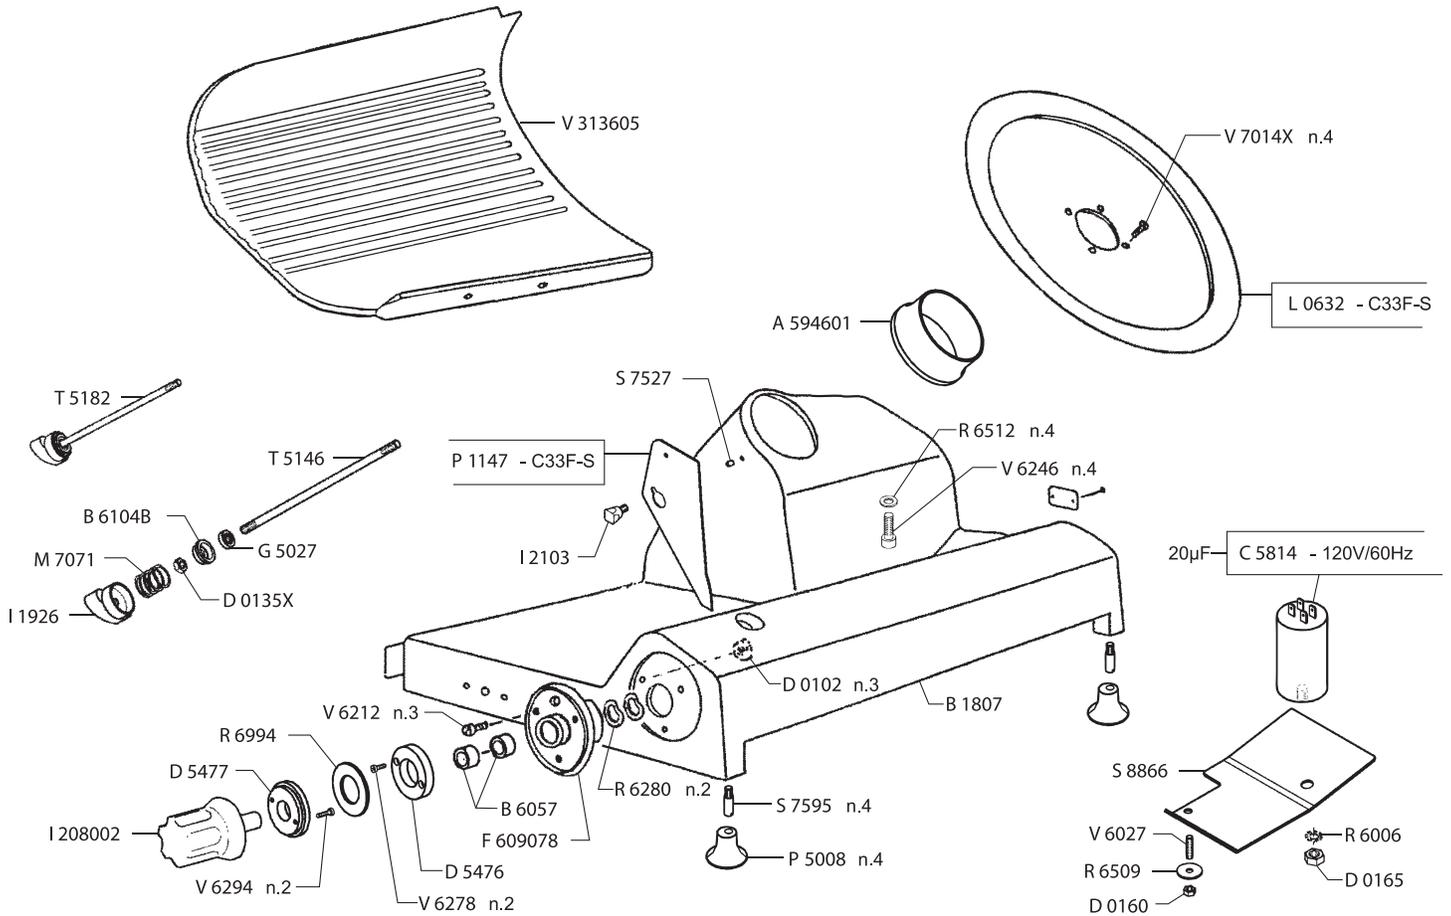

1. Drop some oil on the bar.
2. Let the last slice device slide on the guide bar.

LUBRICATION OF THE GUIDE BAR OF THE PRODUCT HOLDER CARRIAGE:

1. Push the product holder towards stroke end.
2. Lift the slicer.
3. Drop some oil on the bar.
4. Place the slicer on the work top, push the product holder to and from.

Thank you for choosing Omcan | Merci d'avoir choisi Omcan | Gracias por elegir Omcan

Since 1951 Omcan has grown to become a leading distributor of equipment and supplies to the North American food service industry. Our success over these many years can be attributed to our commitment to strengthen and develop new and existing relationships with our valued customers and manufacturers. Today with partners in North America, Europe, Asia and South America, we continually work to improve and grow the company. We strive to offer customers exceptional value through our qualified local sales and service representatives who provide convenient access to over 6,500 globally sourced products.

Depuis 1951 Omcan a grandi pour devenir un des “leaders” de la distribution des équipements et matériel pour l’industrie des services alimentaires en Amérique du Nord. Notre succès au cours de ces nombreuses années peut être attribué à notre engagement à renforcer et à développer de nouvelles et existantes relations avec nos clients et les fabricants de valeur. Aujourd’hui avec des partenaires en Amérique du Nord, Europe, Asie et Amérique du Sud, nous travaillons continuellement à améliorer et développer l’entreprise. Nous nous efforçons d’offrir à nos clients une valeur exceptionnelle grâce à nos ventes locales qualifiées et des représentants de service qui offrent un accès facile à plus de 6500 produits provenant du monde entier.

Desde 1951 Omcan ha crecido hasta convertirse en un líder en la distribución de equipos y suministros de alimentos en América del Norte industria de servicios. Nuestro éxito en estos años se puede atribuir a nuestro compromiso de fortalecer y desarrollar nuevas relaciones existentes con nuestros valiosos clientes y fabricantes. Hoy con socios de América del Norte, Europa, Asia y América del Sur, que trabajan continuamente para mejorar y crecer la empresa. Nos esforzamos por ofrecer a nuestros clientes valor excepcional a través de nuestro local de ventas y representantes de los servicios que proporcionan un fácil acceso a más de 6,500 productos con origen a nivel mundial.
