- Every person using the device must act in accordance to the manuals and under consideration of the

# Safety and Warranty

safety advice.

- The device is to be used indoors only.
- Any technical interventions, as well as assembly and maintenance are to be made by a qualified customer service only.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Children should be supervised to ensure that they do not play with the appliance.

## PREPARATION AND POWER SUPPLY

<b>Exclusive power outlet</b> The power outlet must be in close proximity to the ground. Plug directly into power outlet.	<b>No shared power outlets</b> Warmer cable should never share the power outlet with any other appliance, as cable will overheat and may result in a fire.
<b>Protect cables</b> Extra caution should be used when handling plug, as broken or damaged cables can cause sparking and may result in a fire.	<b>No water flushing</b> Never flush the warmer surface. This can cause leakage, which may result in electrical damage or fire.
<b>Never store flammables and explosives</b> No explosives or flammables should be stored in, or in proximity to, the warmer, such as gasoline, alcohol, and adhesives.	

Omcan display warmers are engineered and designed to maintain previously cooked foods at serving temperatures. Improper use of this machine's maximum temperature for extended periods of time, in an attempt to thoroughly cook food products, is prohibited. Such operation will void the manufacturer's warranty and may result in under cooked and therefore unsafe food.

**RESIDENTIAL USERS:** Vendor assumes no liability for parts or labor coverage for component failure or other damages resulting from installation in non-commercial or residential applications. The right is reserved to deny shipment for residential usage; if this occurs, you will be notified as soon as possible.

## 1 YEAR PARTS AND LABOUR WARRANTY

Within the warranty period, contact Omcan Inc. at 1-800-465-0234 to schedule an Omcan authorized service technician to repair the equipment locally.

Unauthorized maintenance will void the warranty. Warranty covers electrical and part failures, not improper use.

Please see <https://omcan.com/disclaimer> for complete info.
