General Information

Omcan Manufacturing and Distributing Company Inc., Food Machinery of America, Inc. dba Omcan and Omcan Inc. are not responsible for any harm or injury caused due to any person's improper or negligent use of this equipment. The product shall only be operated by someone over the age of 18, of sound mind, and not under the influence of any drugs or alcohol, who has been trained in the correct operation of this machine, and is wearing authorized, proper safety clothing. Any modification to the machine voids any warranty, and may cause harm to individuals using the machine or in the vicinity of the machine while in operation.

CHECK PACKAGE UPON ARRIVAL

Upon receipt of an Omcan shipment please inspect for external damage. If no damage is evident on the external packaging, open carton to ensure all ordered items are within the box, and there is no concealed damage to the machine. If the package has suffered rough handling, bumps or damage (visible or concealed), please note it on the bill of lading before accepting the delivery and contact Omcan within 24 hours, so we may initiate a claim with the carrier. A detailed report on the extent of the damage caused to the machine must be filled out within three days, from the delivery date shown in the shipping documents. Omcan has no recourse for damaged products that were shipped collect or third party.

Before operating any equipment, always read and familiarize yourself with all operation and safety instructions.

Omcan would like to thank you for purchasing this machine. It's of the utmost importance to save these instructions for future reference. Also save the original box and packaging for shipping the equipment if servicing or returning of the machine is required.

Omcan Fabrication et distribution Companie Limité et Food Machinery d'Amerique, dba Omcan et Omcan Inc. ne sont pas responsables de tout dommage ou blessure causé du fait que toute personne ait utilisé cet équipement de façon irrégulière. Le produit ne doit être exploité que par quelqu'un de plus de 18 ans, saine d'esprit, et pas sous l'influence d'une drogue ou d'alcool, qui a été formé pour utiliser cette machine correctement, et est vêtu de vêtements de sécurité approprié. Toute modification de la machine annule toute garantie, et peut causer un préjudice à des personnes utilisant la machine ou des personnes à proximité de la machine pendant son fonctionnement.

VÉRIFIEZ LE COLIS DÈS RÉCEPTION

Dès réception d'une expédition d'Omcan veuillez inspecter pour dommages externes. Si aucun dommage n'est visible sur l'emballage externe, ouvrez le carton afin de s'assurer que tous les éléments commandés sont dans la boîte, et il n'y a aucun dommage dissimulé à la machine. Si le colis n'a subi aucune mauvaises manipulations, de bosses ou de dommages (visible ou cachée), notez-le sur le bond de livraison avant d'accepter la livraison et contactez Omcan dans les 24 heures qui suivent, pour que nous puissions engager une réclamation auprès du transporteur. Un rapport détaillé sur l'étendue des dommages causés à la machine doit être rempli dans un délai de trois jours, à compter de la date de livraison indiquée dans les documents d'expédition. Omcan n'a aucun droit de recours pour les produits endommagés qui ont été expédiées ou cueillies par un tiers transporteur.

General Information

Avant d'utiliser n'importe quel équipement, toujours lire et vous familiariser avec toutes les opérations et les consignes de sécurité.

Omcan voudrais vous remercier d'avoir choisi cette machine. Il est primordial de conserver ces instructions pour une référence ultérieure. Également conservez la boîte originale et l'emballage pour l'expédition de l'équipement si l'entretien ou le retour de la machine est nécessaire.

Omcan Empresa De Fabricacion Y Distribucion Inc. Y Maquinaria De Alimentos De America, Inc. dba Omcan y Omcan Inc. no son responsables de ningun daño o perjuicio causado por cualquier persona inadecuada o el uso descuidado de este equipo. El producto solo podra ser operado por una persona mayor de 18 años, en su sano juicio y no bajo alguna influencia de droga o alcohol, y que este ha sido entrenado en el correcto funcionamiento de esta máquina, y ésta usando ropa apropiada y autorizada. Cualquier modificación a la máquina anula la garantía y puede causar daños a las personas usando la máquina mientras esta en el funcionamiento.

REVISE EL PAQUETE A SU LLEGADA

Tras la recepcion de un envio Omcan favor inspeccionar daños externos. Si no hay daños evidentes en el empaque exterior, Habra el carton para asegurararse que todos los articulos solicitados estén dentro de la caja y no encuentre daños ocultos en la máquina. Si el paquete ha sufrido un manejo de poco cuidado, golpes o daños (visible o oculto) por favor anote en la factura antes de aceptar la entrega y contacte Omcan dentro de las 24 horas, de modo que podamos iniciar una reclamación con la compañía. Un informe detallado sobre los daños causados a la máquina debe ser llenado en el plazo de tres días, desde la fecha de entrega que se muestra en los documentos de envío. Omcan no tiene ningun recurso por productos dañados que se enviaron a recoger por terceros.

Antes de utilizar cualquier equipo, siempre lea y familiarizarse con todas las instrucciones de funcionamiento y seguridad.

Omcan le gustaría darle las gracias por la compra de esta máquina. Es de la mayor importancia para salvar estas instrucciones para futuras consultas. Además, guarda la caja original y el embalaje para el envío del equipo si servicio técnico o devolución de la máquina que se requiere.

Safety and Warranty

The unit is environment-friendly with an excellent design. It includes components to maximize power saving, complete functions and is easy to operate. The unit is easy to clean. Please review this manual prior to use and follow the cleaning instructions.

Operations and repairs of this product must be performed by the experts or qualified persons or those who have gotten the license of installation, or those who are authorized by the manufacturer.

Safety and Warranty

- When conducting installation or maintenance, please follow these instructions carefully to ensure the safe use of this appliance.
- Please keep this instruction manual for future reference.
- Make sure none of the parts are missing or damaged upon arrival. If there is any doubt about the product, please do not use it, and contact Omcan at 1-800-465-0234.
- Keep the packing material out of reach of the children to avoid accident.
- This appliance could be only operated by the person who is familiar with the unit.
- When not using the appliance or the operator is absent, please turn off the unit to avoid any accidental injury or damage.
- The unit can only be repaired by trained personnel and only use original parts. It will be dangerous if not following the above requirements.
- Do not rinse the equipment with water directly.
- Clean the surface of stainless steel periodically with appropriate method to prevent any damage brought by oxidization or any other chemical interference.

IMPORTANT SAFEGUARDS

1. The machine should be put on a stable, level and firm surface. Avoid direct contact with sunlight or rain. Do not place on or near a hot gas or electric burner. Do not use outdoors.
2. Machine needs to be plugged into 110-120V dedicated circuit to operate properly. When using an electrical appliance, basic safety precautions should always be followed.
3. Always attach the plug to the appliance first, then plug the cord in the wall outlet. To disconnect, turn any control “off” then remove the plug from wall outlet.
4. Unplug the power cord from the outlet when not in use and before cleaning.

WARNING

1. Water must NEVER be put on the popping kettle.
2. DO NOT touch inside parts when the machine is hot as it may cause serious injury.

RESIDENTIAL USERS: Vendor assumes no liability for parts or labor coverage for component failure or other damages resulting from installation in non-commercial or residential applications. The right is reserved to deny shipment for residential usage; if this occurs, you will be notified as soon as possible.

1 YEAR PART AND LABOUR BENCH WARRANTY

Within the warranty period, contact Omcan Inc. at 1-800-465-0234 to schedule a drop off to either an Omcan authorized service depot in the area, or to an Omcan Service warehouse to repair the equipment.

Unauthorized maintenance will void the warranty. Warranty covers electrical and part failures, not improper use.

Please see <https://omcan.com/disclaimer> for complete info.

Safety and Warranty

The packaging components are classified as normal solid urban waste and can therefore be disposed of without difficulty.

For suitable recycling, we suggest disposing of the products separately (differentiated waste) according to local standards.

DO NOT DISCARD ANY PACKAGING MATERIALS IN THE ENVIRONMENT!

| Packaging Dimensions | 47" x 36" x 41" / 1194 x 914 x 1041mm |
| Item Number | 40385 |

Operation

TRANSPORTATION AND STORAGE

The unit should be handled with care to avoid damage to the glass. The unit should not be transported sideways or shook. The unit should not be placed in an outdoor area. It should be put in storage which has good ventilation and has no corrosive gases present. If must be put in outdoor area, do not let the unit be in contact with direct sunshine and rain.

OPERATING INSTRUCTIONS

1. Plug in the machine, turn on the power switch to start the heat tube and light.

Operation

2. Turn on the kettle switch to preheat the kettle for 5 to 6 minutes. Pour 50ml of oil, 150g of corn and 50g of sugar into the kettle, the corn will burst open.
3. Pay attention to the corn while popping in case it will be burnt. Close the door firmly so that the corn can not flow out. Stir the corn until it is all burst open, then twist the handle clockwise, lift the elastic cover to the top. Keep the kettle hung upright and pour all the popcorn out from the plate.
4. Repeat steps 1 - 3 to make more popcorn. It will only take 2 minutes to pop the corn in a continuous fashion.

Take care when pouring the oil to prevent scalding. Do not drop any oil around the plate. Otherwise it will catch fire when it is heated to a certain temperature. Keep the kettle clean.

This machine has over-temperature protection when the temperature rises over the normal line, it will cut off the electricity to protect the machine and the user.

Maintenance

1. Clean your popcorn machine after every use.
2. Make sure the machine is unplugged and the kettle has completely cooled.
3. Wipe all oils off the inside and outside of the kettle with a DRY clean soft cloth.
4. Do not use benzene, scrubbing brushes or chemical cleaners, as these will damage the machine.
5. NEVER immerse the base of machine in water or let water drip inside.

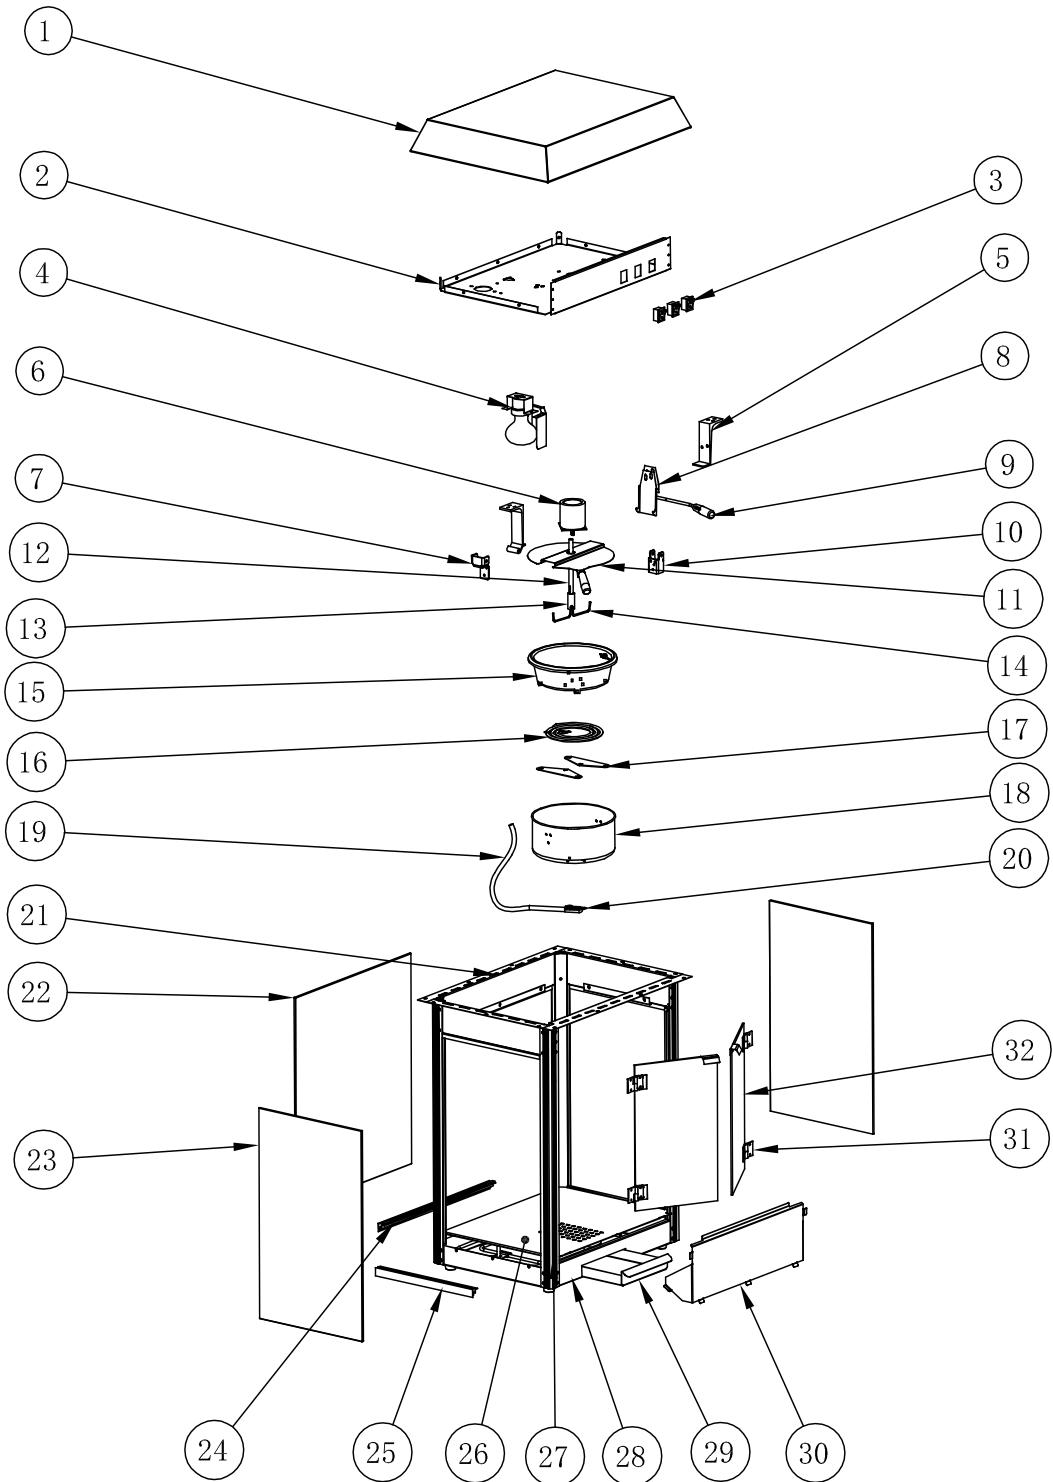

Troubleshooting

| Problem | Cause | Solutions |
|--|--|---|
| Lights are off while turned on. | The power cord is not properly plugged into the outlet or the machine. | Turn off all switches and make sure the power cord is firmly plugged into the outlet and machine. Turn on the switch again. |
| The motor does not rotate/heat when the TURN switch is on. | The heating tube line is loose/burnt. | Tighten the line/change the heating tube. |
| The heating temperature is too high or too low. | The constant temperature element is out of order. | Change the element. |
