# General Information

**Omcan Manufacturing and Distributing Company Inc., Food Machinery of America, Inc. dba Omcan and Omcan Inc. are not responsible for any harm or injury caused due to any person's improper or negligent use of this equipment. The product shall only be operated by someone over the age of 18, of sound mind, and not under the influence of any drugs or alcohol, who has been trained in the correct operation of this machine, and is wearing authorized, proper safety clothing. Any modification to the machine voids any warranty, and may cause harm to individuals using the machine or in the vicinity of the machine while in operation.**

## CHECK PACKAGE UPON ARRIVAL

Upon receipt of an Omcan shipment please inspect for external damage. If no damage is evident on the external packaging, open carton to ensure all ordered items are within the box, and there is no concealed damage to the machine. If the package has suffered rough handling, bumps or damage (visible or concealed), please note it on the bill of lading before accepting the delivery and contact Omcan within 24 hours, so we may initiate a claim with the carrier. A detailed report on the extent of the damage caused to the machine must be filled out within three days, from the delivery date shown in the shipping documents. Omcan has no recourse for damaged products that were shipped collect or third party.

**Before operating any equipment, always read and familiarize yourself with all operation and safety instructions.**

**Omcan would like to thank you for purchasing this machine. It's of the utmost importance to save these instructions for future reference. Also save the original box and packaging for shipping the equipment if servicing or returning of the machine is required.**

**Omcan Fabrication et distribution Companie Limité et Food Machinery d'Amerique, dba Omcan et Omcan Inc. ne sont pas responsables de tout dommage ou blessure causé du fait que toute personne ait utilisé cet équipement de façon irrégulière. Le produit ne doit être exploité que par quelqu'un de plus de 18 ans, saine d'esprit, et pas sous l'influence d'une drogue ou d'alcool, qui a été formé pour utiliser cette machine correctement, et est vêtu de vêtements de sécurité approprié. Toute modification de la machine annule toute garantie, et peut causer un préjudice à des personnes utilisant la machine ou des personnes à proximité de la machine pendant son fonctionnement.**

## VÉRIFIEZ LE COLIS DÈS RÉCEPTION

Dès réception d'une expédition d'Omcan veuillez inspecter pour dommages externes. Si aucun dommage n'est visible sur l'emballage externe, ouvrez le carton afin de s'assurer que tous les éléments commandés sont dans la boîte, et il n'y a aucun dommage dissimulé à la machine. Si le colis n'a subi aucune mauvaises manipulations, de bosses ou de dommages (visible ou cachée), notez-le sur le bond de livraison avant d'accepter la livraison et contactez Omcan dans les 24 heures qui suivent, pour que nous puissions engager une réclamation auprès du transporteur. Un rapport détaillé sur l'étendue des dommages causés à la machine doit être rempli dans un délai de trois jours, à compter de la date de livraison indiquée dans les documents d'expédition. Omcan n'a aucun droit de recours pour les produits endommagés qui ont été expédiées ou cueillies par un tiers transporteur.

**Avant d'utiliser n'importe quel équipement, toujours lire et vous familiariser avec toutes les opérations et les**

consignes de sécurité.

Omcan voudrais vous remercier d'avoir choisi cette machine. Il est primordial de conserver ces instructions pour une référence ultérieure. Également conservez la boîte originale et l'emballage pour l'expédition de l'équipement si l'entretien ou le retour de la machine est nécessaire.

Omcan Empresa De Fabricacion Y Distribucion Inc. Y Maquinaria De Alimentos De America, Inc. dba Omcan y Omcan Inc. no son responsables de ningun daño o perjuicio causado por cualquier persona inadecuada o el uso descuidado de este equipo. El producto solo podra ser operado por una persona mayor de 18 años, en su sano juicio y no bajo alguna influencia de droga o alcohol, y que este ha sido entrenado en el correcto funcionamiento de esta máquina, y ésta usando ropa apropiada y autorizada. Cualquier modificación a la máquina anula la garantía y puede causar daños a las personas usando la máquina mientras esta en el funcionamiento.

## REVISE EL PAQUETE A SU LLEGADA

Tras la recepcion de un envio Omcan favor inspeccionar daños externos. Si no hay daños evidentes en el empaque exterior, Habra el carton para asegurarse que todos los articulos solicitados estén dentro de la caja y no encuentre daños ocultos en la máquina. Si el paquete ha sufrido un manejo de poco cuidado, golpes o daños (visible o oculto) por favor anote en la factura antes de aceptar la entrega y contacte Omcan dentro de las 24 horas, de modo que podamos iniciar una reclamación con la compañía. Un informe detallado sobre los daños causados a la máquina debe ser llenado en el plazo de tres días, desde la fecha de entrega que se muestra en los documentos de envío. Omcan no tiene ningun recurso por productos dañados que se enviaron a recoger por terceros.

**Antes de utilizar cualquier equipo, siempre leer y familiarizarse con todas las instrucciones de operación y seguridad.**

Omcan quisiera darles las gracias por la compra de esta máquina. Es de la máxima importancia para guardar estas instrucciones para referencias en el futuro. También guarde la caja original y el embalaje para envío del equipo si el mantenimiento o la devolución de la máquina es necesaria.

# Safety and Warranty

---

# Installation

---

- Place the device on top of an even and safe surface which supports the weight of the device and is not heat sensitive.
- Not at any time should you place the device on an inflammable surface (such as table cloth, carpet, etc).
- You must no position the device near open fireplaces, electric ovens/arc furnaces/electric heaters or other

# Installation

- heat sources.
- Position the device in such a way that the plug is easily accessible.

# Operation

- Before first use, clean the inner sides and placing grids with a soft cloth and a mild cleaning agent. Afterwards, dry the device thoroughly.
- Connect the device to a single grounded power socket.
- Set the temperature as required for respective foods. You may adjust the desired temperature in the range between 30-100°C (86-212°F).

## ON/OFF

When we open the unit, the display screen fully displays for 5s, on the left, from top to bottom, it displays "Sr", "0016", "Sr", "0016" respectively and there comes music with voice (WELCOME). In TIME display, it displays "w105", it returns to standby mode automatically after 5s and there is "----" in TIME display. When the unit is ON, the fan motor works all the time and only when the unit is OFF, the fan motor stops working.

## ALARM TIME

When the unit is ON, press "TIME", it displays "ti: " in TIME display; then press one button from 1 - 8, it displays the default alarm time value for corresponding window. Under this condition, press "SET" and we can change the alarm time. When it is flickering in TIME display, press "Up" or "Down", the alarm time value will increase 1 minute or decrease 1 minute. Press "END" or no operations for 5s, it returns back to previous menu.

## PRE-ALARM

When the unit is ON, press "PreALM", it displays "Pr: --" in TIME display; then press one button from 1 - 8, it displays the default pre-alarm time value for corresponding window. Under this condition, press "SET" and then we can press "Up" or "Down" to increase 1 minute or decrease 1 minute on pre-alarm time value.

## TEMPERATURE CHECKING AND SETTING

When the unit is ON, it displays real time temperature values for all four layers. Press "TEMP", the first layer display screen displays the first layer default temperature; press "CHANNEL", the next layer default temperature displays. Press "SET", we can change this layers temperature, press "Up" or "Down" to increase 1°C or decrease 1°C on default temperature.

## ENERGY-SAVING TEMPERATURE CHECKING OR RE-SETTING

When the unit is ON, press "ECO", the temperature unit °C or °F on the first layer is flickering, the energy-saving indicator lamp is on after it reaches energy saving temperature. Press "CHANNEL", the next layer displays. Press "SET", we can change each layer's energy-saving temperature, press "Up" or "Down" to increase 1°C or decrease 1°C on energy saving temperature.

## °C AND °F INTERCHANGEABLE

The temperature unit °C or °F can be changed by pressing "°C/°F" under all conditions.

# Operation

---

## VOLUME CHECKING AND ADJUSTING

When the unit is ON, press "VOL-" or "VOL+", "V1: XX" is flickering in TIME display, press "VOL-" or "VOL+", the volume can be 1 less or 1 more.

## TIME COUNTING MODE CHECKING AND ADJUSTING

When the unit is in normal standby mode, press one button from 1 - 8, it is counting up mode if it displays "UP-" in TIME display and it is counting down mode if it displays "DOWN". When the unit is in standby mode, press "Count" and one button from 1-8 together, the time counting model of that window will be changed to counting up model and it displays "UP--" in TIME display. Otherwise, press "Cnt.DN" and one button from 1-8 together, the time counting mode will be changed to counting down mode and it displays "DOWN" in TIME display.

## OPERATION INSTRUCTIONS

There are 8 time windows with "START/STOP" on front side and back side respectively. When the window is in standby mode, press "START/STOP", it starts counting and the respective indicator lamp flickers (counting up mode - GREEN, counting down mode - RED). If the displayed time is more than 60 minutes, it displays "hour : minute"; if the displayed time is in second, then it displays only seconds.

When it reaches pre-alarm time, the indicator lamp turns YELLOW and it is flickering with the pre-alarm voice. When it reaches alarm time or pre-alarm time, the alarm can be cancelled by pressing "END" or turn off the switch. But it does not mean that the working mode is cancelled. Only by pressing "START/STOP", it will return to standby mode and it displays the time of last working mode. When it reaches alarm time but not press "END" or "START/STOP", the alarm voice will keep on.

## CODE FOR ABNORMAL CONDITIONS

If there is open circuit or short circuit on any of the I, II, III, IV layer, the codes E1, E2, E3, E4 will be displayed on corresponding layer. The heater will stop until the problem is solved.

- Some of the device parts become very hot, always use safety gloves when placing or removing foods.
- The foods are kept warm at the temperature set by you previously.
- Disconnect the device from the power socket when not in use.

# Maintenance

---

## CLEANING AND MAINTENANCE

- Before beginning with repairs or cleaning, make sure the device has been disconnected from the power socket and has cooled down.
- Don't use any acidic agents and make sure no water enters the machine.
- To protect yourself from electric shocks, never immerse the device, its cables and plug in water or other liquids.
- Do not use any kind of pressure water jet for cleaning the device.

# Maintenance

---

## CLEANING

- The device should be cleaned regularly.
- Clean the device from the inside and outside with a soft, damp cloth and a mild cleaning agent.
- Clean the placing grids and the housing with a soft, damp cloth and a mild cleaning agent.
- Only use a soft cloth and make sure you never use any kind of abrasive agents or pads which could scratch the surface.
- After the cleaning procedure, you should use a soft and dry cloth to wipe dry and polish the surface.
- Make sure the device has been cleaned properly before storing it in a dry place.

## MAINTENANCE

- Check the mains lead from time to time to ensure it is not damaged in any way. Never use the device if the lead is damaged. If the lead is damaged, it must be replaced by a qualified electrician.
- Only a qualified technician should carry out repairs and maintenance of the device. Do not attempt to repair the device by yourself.
- Appliances must be disconnected from their power supply during cleaning or maintenance and when replacing parts.

**Thank you for choosing Omcan | Merci d'avoir choisi Omcan | Gracias por elegir Omcan**

Since 1951 Omcan has grown to become a leading distributor of equipment and supplies to the North American food service industry. Our success over these many years can be attributed to our commitment to strengthen and develop new and existing relationships with our valued customers and manufacturers. Today with partners in North America, Europe, Asia and South America, we continually work to improve and grow the company. We strive to offer customers exceptional value through our qualified local sales and service representatives who provide convenient access to over 6,500 globally sourced products.

---

Depuis 1951 Omcan a grandi pour devenir un des "leaders" de la distribution des équipements et matériel pour l'industrie des services alimentaires en Amérique du Nord. Notre succès au cours de ces nombreuses années peut être attribué à notre engagement à renforcer et à développer de nouvelles et existantes relations avec nos clients et les fabricants de valeur. Aujourd'hui avec des partenaires en Amérique du Nord, Europe, Asie et Amérique du Sud, nous travaillons continuellement à améliorer et développer l'entreprise. Nous nous efforçons d'offrir à nos clients une valeur exceptionnelle grâce à nos ventes locales qualifiées et des représentants de service qui offrent un accès facile à plus de 6500 produits provenant du monde entier.
