

1.8 kW Stainless Steel Commercial Countertop Induction Cooker

ITEM: 44415

MODEL: CE-CN-1800-A

Make a switch to better, more efficient, more safe, and with precised cooking experience.

This countertop induction cooker is constructed of stainless steel. Each unit is equipped with an LED digital display and controls for easy and accurate temperature adjustments and timer settings. These induction cookers are energy efficient; all heat is contained and transferred directly to cookware placed onto the unit.

FEATURES:

- Stainless steel exterior and A grade black crystal plate
- 4-hour timer function
- 10 power temperature settings
- Safety features: Auto shut-off
