

Commercial Stainless Steel Tabletop Ice Shaver 143 lb. (65 kg) per Hour – 110 V, 0.4 HP (300 W)

ITEM: 47468

MODEL: IC-CN-1450-E

Your gateway to refreshing and delightful frozen treats!

Made of stainless steel, this ice shaver machine is pretty easy to use, and does work great for shaving ice. Meeting large demands of ice in a relatively short time.

FEATURES:

- **Durable Construction**

Made of high-quality durable stainless steel, with sturdy and non-slip base stand, makes it safer to use and suitable for commercial purposes.

- **Efficient Ice Shaving**

The stainless steel blades effortlessly shaves into a fine snow-like texture. Get ready to enjoy consistently perfect shaved ice for your favorite desserts and beverages.

- **Easy-to-Operate**

Just a push of the handle to press ice slowly, at the same time turn the plate with another hand - No complicated settings, just straightforward design.
