Boost sales and showcase your products with Omcan's Open Refrigerated display case.

This unit features bright LED lighting on both front sides to enhance product visibility. It includes a digital temperature controller for precise adjustments and four castors, two with brakes, for easy mobility. The double tempered glass and night curtain help maintain optimal temperature and energy efficiency.

A ventilated cooling system ensures even airflow, while automatic defrost simplifies maintenance. Condensation water is automatically evaporated, and the back-side system is maintenance-free.
