

Two Chamber Wok Range with Two 13" Rings

ITEM: 47726 MODEL: CE-CN-W2L0-NG

The durable and efficient Two Chamber Wok Range is a valuable asset for any kitchen.

Two 13" wok rings with an impressive total BTU of 190,000 deliver the high heat necessity for all your culinary endeavours. Crafted with a stainless steel faucet, backsplash, and pipe rack, this range guarantees longevity and practicality. The adjustable gas valve and pilot ignition system provide easy heat control, ensuring precise cooking results every time.

Perfectly suited for most commercial kitchens, this wok range prioritizes safety with its water-cooled top and offers cost-effective operation with its natural gas fuel source. Whether you're stir-frying, deep-frying, or simmering, this versatile range excels in fulfilling your cooking needs effortlessly.

Main Features:

- ✓ 2 x 13" wok rings
- ✓ Pilot ignition
- ✓ Adjustable gas valve
- ✓ Natural gas
- ✓ Stainless steel faucet, backsplash, pipe rack, water cooled top
