

Chamber Wok Ranges with Backsplash & Faucet – Natural Gas

ITEM:	48411	48412	48413	48409
MODEL:	CE-CN-WI10-NG	CE-CN-WI11-NG	CE-CN-W211-NG	CE-CN-W311-NG

The durable and efficient Chamber Wok Ranges are valuable assets for any kitchen.

13" and 16" wok rings with an impressive total BTU deliver the high heat necessary for all your culinary endeavors. Crafted with a stainless steel faucet, backsplash, and pipe rack, this range guarantees longevity and practicality. The adjustable gas valve and pilot ignition system provide easy heat control, ensuring precise cooking results every time.

Perfectly suited for most commercial kitchens, this wok range prioritizes safety with its water-cooled top and offers cost-effective operation with its natural gas fuel source. Whether you're stir-frying, deep-frying, or simmering, this versatile range excels in fulfilling your cooking needs effortlessly.

FEATURES:

- ✓ Stainless steel faucet, backsplash,
- ✓ pipe rack, water cooled top
- ✓ Adjustable gas valve
- ✓ Pilot ignition
