TECHNICAL DRAWINGS & DIMENSIONS

*measurements in diagrams are in mm

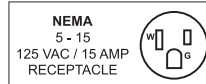

FEATURES:

- Stainless steel body
- Has a robust and professional look that is suitable for any kitchen
- The control panel is electromechanical and the pump is self-lubricating, so it doesn't need to oil level adjustment, replacement filters or other maintenance
- Equipped with analogic vacuum and with adjustment time control (that allows for use of bags with different thickness)
- Can use all the types of vacuum bags (smooth or embossed)
